THE WINE LIST

Our wine list is a dynamic, contemporary list that is always evolving. Coeee aims to recognise and support wine producers across the country, with a strong focus on Western Australian wines. Every month we showcase one hero producer by curating a list of their small batch releases for our guests to taste and explore. The winemaker joins us on the first Wednesday of the month to ignite our Coeee classroom with an intriguing College of Grapes session. We invite you to explore outside of your comfort zone and start your own wine journey - our sommelier team is here to guide you.

Our wine list is arranged according to increasing intensity in body and the following tags and classifications are used across our list.

ECOLOGIC [EC] | BIODYNAMIC [BIO] | MINIMAL INTERVENTION [MI] | VEGAN [VE]

SWINNEY WINES

2020 Vineyard of the Year, Young Gun of Wine Vineyard of the Year Awards

The road from grape grower to winemaker can be fraught with difficulties, yet, by building from the vineyard first, by employing a dream team of passionate and experienced people, and by never taking the focus away from quality, siblings Matt and Janelle Swinney have created something very special in the Frankland River region of Western Australia.

Their inspiration was always to found a benchmark wine label using only the finest fruit. Innovations such as the planting of bush-vines and taking a leap of faith with Grenache and Mourvedre (in a region that many felt was too cool for these Mediterranean varieties), certainly raised eyebrows. Today, both of these decisions have proven to be inspired.

The winemaking philosophy is precise yet simple. Rob Mann (winemaker) and the Swinney family want to reflect and preserve the personality of each individual vineyard site in that season. They want people to be reminded of the place rather than the maker.

The resulting wines are brilliant and shine with character, craft and respect of the land.
